Rates Breakdown

STUDIO 1 - £30 per hour

This is the main studio, fully connected to our live room and vocal booth, and home to our MIDAS mixing desk, Genelec monitors and Antelope Orion AD/DA Converter.

STUDIO 2 - £25 per hour

Isolated editing suite, suitable for programming, voice over work and recording singers/rappers to backing tracks. It can also be used in conjunction with our live room.

DEMO DEAL - £250 per day

Ideal package for bands who want to make the most of their time available in the studio for recording. This involves spending the full day tracking and overdubbing, and have it all mixed out of studio hours to be sent over typically within two weeks

KARAOKE/HEN DO/KID'S PARTIES

We offer an excellent studio experience for the casual singers or karaoke masters as well as catering for large parties such as hen do's and children's functions. Please call for a quote.
